The wireframe shows a web application interface. At the top is a purple header bar with the text 'NYU Mad Libs' on the left and a 'Stories' dropdown menu on the right. Below the header is a row of four tabs: 'TIME AT THE SQUARE', 'IMSOMNIA COOKIES', 'GYM DAY', and 'TUTORING SESSION'. The main content area features a 'How to Play' section with a text input field containing the instruction 'Pick a story above. Fill out the words. Hit the generate button. Share with others!' and four empty text input fields below it. At the bottom right of the page, there is a small copyright notice: '© 2015 Alvi Kabir. All rights reserved.'
